2. THE STATE OF COMPANY'SAFFAIRS:

There was no business during this year due to COVID19 conditions. The company continued to look for the new opportunities other than Retail like in Green Mobility solution. The company was in the process of testing its new technology thru Citycycle India Pvt. Ltd. Due to pandemic and country-wide lockdown conditions, the pilot run could not be completed. Though, the company was able to control the losses but it had to drop the project as till now, there was no progress for bike sharing project. During the previous years, the company had also looked at an Online B2B eCommerce business to create a B2B market place. The trials had started way back in FY 2016-17 in a controlled and curretted manner.

The company had invested huge resources in developing technology, infrastructure, marketing, promotions, business process and fulfillment services over the last few years in order to expand its retail network and customer base. Since it is an innovative process of Retailing where the company orchestrates 3rd party physical retail stores with virtual inventory, the business model requires continuous investments till it reaches the breakeven point and turns profitable. In March 2017, the company was classified into the Graded Surveillance Measure (GSM) list by BSE. Consequent to classifying into GSM and failing in raising fresh capital for Internet Retail business, the company has suspended its Internet Retail operation wef 1st April, 2017.

The company is also looking into several futuristic technologies which will help in rejuvenating its business in the near future.

3. DIVIDEND:

In view of the losses, your Directors do not recommend any dividend during the year 2020-21.

4. MANAGEMENT DISCUSSION AND ANALYSISREPORT:

Management Discussion and Analysis Report for the year under review, as stipulated under the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulation") is presented in a separate section forming part of this Annual Report.

5. BOARD OF DIRECTORS AND KEY MANAGERIALPERSONNEL:

There was no change in the composition of Board of Directors and KMP during the FY 2020-21

During the year, the non-executive directors of the Company had no pecuniary relationship or transactions with the Company. The Company has received declarations from all Independent Directors of the Company that they meet the criteria of Independence prescribed under the Act and the Listing Regulations.

Board Evaluation: Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure

Requirements) Regulations 2015, the formal annual evaluation was carried out for the Board's own performance, its committee & Individual directors. The manner and detail in which evaluation was carried out is explained in the Corporate Governance Report.

Nomination and Remuneration Policy: The Board of Directors has framed a policy which lays down a framework in relation to remuneration of Directors, Key Managerial Personnel and Senior Management of the Company. This policy also lays down criteria for selection and appointment of Board Members. The details of this policy are explained in the Corporate Governance Report.

Meetings of the Board: During the year 4 (four) Board Meetings (other than Meeting of Independent Directors) were convened and held, details of which are given in the Corporate Governance Report which is annexed to this report and forms a part of this report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Independent Directors affirmation: The Independent Directors of your Company have given the certificate of independence to your Company stating that they meet the criteria of independence as mentioned under Section 149(6) of the Companies Act, 2013 and there has been no change in the circumstances which may affect their status as independent director during the year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry and the Company Business Model:

The company has been an Internet & Retail Catalogue company and was selling products and services through its Internet Retail Stores known as 'iStreet Bazaar'. iStreet Bazaar – the Internet Retail Store was a physical store in a neighborhood area which runs on virtual inventory. Common people who have constraints in buying products online, can do so at these stores. The network of Internet Retail Stores is one of the major assets for the company to run its business. These network retailers gave eCommerce shopping experience to customers based on trust and relationship. This model is unique and innovative. However, the company suspended its project due to resource constraints. It is exploring several technologies to rejuvenate its business either in the same space or in related spaces.

Discussion on Financial Position Relating to Operational Performance:

There is no change in the Share capital and Securities Premium account of the company. The other comparative expenses are given below:

Particulars	FY 2020-21 (Rs. In Lakhs)	FY 2019-20 (Rs. In Lakhs)	Change (Rs. In Lakhs)	Remarks

Short-Term Loan & Advances	-	-	-	NA
Other Current Assets	-	-		

Performance of Business:

The company has invested huge resources to build its business. The present accounting standards does not recognize such spending as 'value of intangibles assets' like network of retailers, technology, last mile delivery infrastructure, supply chain, branding etc.

In March 2017, the company had been classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was not very clear to us. Consequent to classifying into GSM, the company was unable to raise fresh capital for the business and hence suspended its operation wef April, 2017 for the identifying new business model. The company is implementing its new business strategy with a focus on 'profitability' with available internal resources. The company carried out a pilot of B2B market place however, could not take this forward due to certain trade practices like credits, delivery, GST etc. However, it has controlled its operational expenses to a great extent while working on the new business opportunity. The comparative performance and the reasons of variation is given in the following table:

Particulars	FY 2020-21 (Rs. in Lakhs)	FY 2019-20 (Rs. in Lakhs.)	Change (Rs. in Lakhs.)	Remarks
Revenue from Operations	-	-	-	NA

However, all would be dependent upon how the company is able to infuse fresh money. The company is evaluating various opportunities at this stage.

Risk & Concerns

Changing technology is changing the business landscape rapidly. Since the company is in the process of indentifying new business model, the risks attached to it are evaluated on case to case basis. But in any case, once the business is identified, the company shall be to manage to identify and manage its risk. In the present scenario, the operational expenses are tightly controlled and major resources are deployed at a very low or no cost basis till the company reaches to a stage of revenue.

Fund Raising:

Our Business was an Asset Light Business – Internet Retail which required huge capital to fund its project. The company faced this as the biggest risk during the recent times. The Company has been making efforts to raise money through various routes like Preferential Issue, Venture funds, Private Equity etc. However, there has been no major success so far. The funds are required for running and scaling business in various heads like technology, marketing, branding, fulfillment infrastructure etc. While the company was finding it hard to raise money for funding the project, it became further difficult due to classification of the Company's shares into Graded Surveillance Measure (GSM) list by Bombay Stock Exchange (BSE). It has led to a complete roadblock in terms of raising of further capital and thus new fund raising has become an extremely challenging and a daunting task. However the company is making necessary efforts to raise funds for its new business opportunity. The Promoters are well equipped to fund its lean operational expenses till it raises the fresh capital for the new project.

Future Outlook

The company is working on different models of business driven by technology including related to Retail, B2B market place etc. The possible segments are retail B2B market place, aggregation, assisted online buying, change in products, adding services like Banking and Financial Services and Insurance (BFSI) etc. The company has also reduced its operating expenses in order to minimize the losses of the company during this period and has been able to do it successfully. The objective of this committee is to provide a forum outside of regular Board meetings of Directors to stay informed about key operational matters and to provide a platform for discussion and the expression of views by committee members to senior management of the Company.

4. COMPANY POLICIES

a) Whistle Blower Policy

Pursuant to Section 177(9) and (10) of the Companies Act, 2013, and Regulation 22 of the SEBI Listing Regulation, the Company has adopted a Whistle Blower Policy and has established necessary mechanisms for employees to report concerns about unethical behaviour. The said policy has also been put up on the website of the Company.

This policy is intended to:

- i. To create an environment where every officer feels free and secure to report specific incidents of unethical behavior, actual or suspected incidents of fraud or violation of the Company's Code;
- ii. To investigate such reported incidents in a fair manner;
- iii. To take appropriate disciplinary action against the delinquent officer(s);
- iv. To ensure that no officer is victimized or harassed for bringing such incidents to the attention of the Company.

The policy also provides adequate safeguards against victimization of persons who use such mechanism and makes provision for direct access to the Chairman of the Audit Committee in appropriate or exceptional cases. No person has been denied access to the Audit Committee. All complaints received under the said policy are reviewed by the Audit Committee at its meeting held every quarter.

Your Company believes that every employee is a trustee of its stakeholders and must adhere to the Company's Code of Conduct and Business Ethics and conduct himself or herself at all times in a professional and ethical manner.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (CAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

1. Attention is drawn to Note No. 18, wherein, in March 2017, the Company had been classified into the Graded Surveillance Measure (GSM - Stage 2 of GSM List) list by BSE. The criteria for classifying the Company into GSM was not very clear to the Company. Consequent to its classifying into GSM and its restriction of free tradability of its shares, the Company was unable to raise fresh capital for the business and hence suspended its operation with effect from 1st April 2017. The Company has invested huge resources in developing technology, infrastructure, marketing, promotions in the last few years in order to expand its retail network and customer base. Also, the business model requires continuous investments till it reaches the break-even point and turns profitable. The impact of classifying the Company in GSM by BSE has led to trade restrictions and a complete roadblock in terms of raising additional capital from new investors. The Company has been incurring constant losses and also the net worth of the Company has been fully eroded. If the management is not able to infuse adequate money on appropriate time than the going concern assumption might get impacted. However, the Audited financial results of the Company are prepared on going concern basis.
2. Attention is drawn to note no. 32 of the financial statements regarding management's current assessment of the Company's assets and liabilities. The Company has carried out a detailed study to assess the impact of COVID-19, including the second wave, on its liquidity position and on the recoverability and carrying values of its assets and has concluded that there is no significant impact on account of the same on its financial statements as at 31st March 2021. The impact assessment of COVID 19 is a continuous process given the uncertainties associated with its nature and duration. The management will continue to monitor material changes to the future economic conditions which may have an impact on the operations of the Company.
3. In view of the initial lockdown and ongoing lockdown the audit for the year was carried out online based on remote access of data, as provided by the management, instead of standard conventional Audit. This resulted in need for carrying out alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI). The Audit has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit/ Remote Audit/ Online Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable, and are directly generated by the accounting system of the Company without any further manual modifications. Audit of the financial statements has been performed in the aforesaid conditions

Our Opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that we do not have any matters to be reported as Key audit matters to be communicated in our Report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total Comprehensive Income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As a part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the Audit.

We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of accounts.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind As specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the Directors as on 31st March, 2021 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197(6) of the Act, as amended Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company does not have long-term contracts including derivative contracts requiring provision for material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to the Auditor's Report of even date on the Ind AS financial statement of iStreet Network Limited**Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **iStreet Network Limited** ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company comprising of the Balance Sheet as at March 31st 2021, the Statement of Profit and Loss including Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement for the period then ended.

Management's Responsibility for Internal Financial Controls :

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by the ICAI deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those standards and the Guidance Note that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting :

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting :

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion :

According to the information and explanations given to us, the Company has, in all material respects, established an adequate internal financial controls system over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. Such internal financial controls over financial reporting were operating effectively as at March 31st 2021.

Statement of Significant Accounting policies and Other Notes to Financial Statements

(All amounts in INR thousands, unless otherwise stated)

A. Corporate Information

iStreet Network Ltd is a public limited company and listed on BSE Ltd. (ISTRNETWK – 524622). The company is an Internet & Retail Catalogue company and sells products and services through its Internet Retail Stores known as 'iStreet Bazaar'. iStreet Bazaar – the Internet Retail Store is a physical store in a neighborhood area which runs on virtual inventory. Common people who have constraints in buying products online, can do so at these stores. The network of Internet Retail Stores is one of the major assets for the company to run its business. These network retailers give eCommerce shopping experience to customers based on trust and relationship. This model is unique and innovative.

The company has invested huge resources to build its business. The present accounting standards does not recognize such spending as 'value of intangibles assets' like network of retailers, technology, last mile delivery infrastructure, supply chain, branding etc.

In March 2017, the company had been classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was not very clear to us. At present the company is placed in stage I of GSM list. Consequent to classifying into GSM, and its restriction of FREE tradability of its shares, the company was unable to raise fresh capital for the business and hence suspended its operation wef April, 2017. The company is implementing its new business strategy with a focus on 'profitability' with available internal resources.

B. Significant Accounting Policies

I) Basis of Preparation

These financial statements are Separate Financial Statements as per Indian Accounting Standards (hereinafter referred to as the 'Ind AS') - Separate Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial Statements are prepared under the historical cost convention on the accrual basis except stated otherwise.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

II) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

III) Summary of significant accounting policies

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(a) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(b) Property, Plant and Equipment

i) Capital Work In Progress represents expenditure incurred on capital assets that are under construction or are pending capitalisation and includes Project expenses pending allocation. Project expenses pending allocation are apportioned to the property, plant and equipment of the project proportionately on capitalisation.

ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

iii) The residual useful life of Property is reviewed at each balance sheet date and adjusted if required in the depreciation rates.

iv) Property, Plant and Equipment are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

v) Depreciation methods, estimated useful lives and residual value:

Depreciation on all assets of the Company is charged on straight-line method over the useful life of assets mentioned in Schedule II to the Companies Act, 2013 or the useful life previously assessed by the management based on technical review whichever is lower for the proportionate period of use during the year.

The management's estimated useful life/ useful life as per schedule II whichever is lower for the various tangible assets are as follows.

Assets	Estimated useful life (Years)
Office and other equipments	5
Computers	3
Furniture and fixtures	10

c) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

The management has estimated the economic useful life for the intangible assets as follows:

Assets	Estimated useful life (Years)
Software	4

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit or Loss when the asset is derecognised.

d) Borrowings

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other Borrowing costs are expensed in the period in which they are incurred.

e) Impairment Loss

Assets subject to amortization/ depreciation are tested for impairment provided that an event or change in circumstances indicates that their carrying amount might not be recoverable. An impairment loss is recognized in the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher between an asset's fair value less sale costs and value in use.

f) Inventories

Traded Goods are valued at lower of purchase cost and net realizable value. Cost is determined on First-in-First-out basis.

g) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits in banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within bank borrowings in current liabilities on the balance sheet.

h) Provisions

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses.

i) Retirement and other benefits**Provident Fund**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Gratuity

Gratuity, a defined benefit obligation for the confirmed employees, is provided on the basis of an actuarial valuation made at the end of each year on projected unit credit method. The company used to have a Group Gratuity Scheme managed by Life Insurance Corporation of India (LIC) which was dormant, now getting revived.

The company shall make the necessary contribution at the end of each year as calculated by LIC. There were no employees qualifying for Gratuity as on 31st March 2021 hence no provision has been made. In case of any employee giving up his/her retirement and other employee benefits in writing, no provision being made for the same.

Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature for the confirmed employees. The expected cost of accumulating compensated absences is determined as per the method well accepted method.

Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

j) Financial Instruments**(i) Financial Assets & Financial Liabilities****Initial recognition and measurement**

All financial assets and liabilities are recognised initially at fair value.

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset is treated as cost of acquisition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(ii) Investments in Subsidiaries/ Associates/ Joint ventures

Investments in subsidiaries are carried at cost.

Derecognition

Financial asset or a liability (or, where applicable, a part of financial asset or a liability) is derecognised (i.e. removed from the Company's Balance Sheet) when:

- a) The Contractual rights to cash flows from the financial asset or liability expires.
- b) The Company transfers its contractual rights to receive or incur cash flows of the financial asset and liability respectively and has substantially transferred all the risk & rewards of ownership of the financial asset or liability.

k) Revenue Recognition

i) Revenue from sale of goods is recognised net of returns, and trade discount, on transfer of significant risk and rewards in respect of ownership to the buyer which is generally on dispatch of goods. Sales exclude sales tax and value added tax or GST.

ii) Revenue from services is recognised when all relevant activities are completed and the right to receive income is established.

iii) Revenue in respect of insurance/ other claims, commission, etc. are recognised only when it is reasonably certain that the ultimate collection will be made.

iv) Interest income is recorded using the effective interest rate (EIR) on accrual basis.

l) Leases

Disclosure in accordance with Ind AS – 116 “Leases”, of the Companies (Indian Accounting Standards) Rules, 2015. The Company has taken the office premises under lease and license agreement with a lease term of 3 years from February 2021. These arrangements are renewable by mutual consent on mutually agreed terms. Under some of these arrangements the Company has given refundable security deposits. Further considering the amount of lease, the company has applied the ‘short-term lease’ / ‘lease of low-value assets’ recognition exemptions as mentioned in paragraph 5 of Ind AS - 116 for such lease & the lease payments associated with these lease is recognised as an expense in the Profit and Loss Statement.

m) Segment Reporting

Disclosure as required by Ind AS 108 “Operating Segment”, of the Companies (Indian Accounting Standards) Rules, 2015. In accordance with Ind AS “Operating Segment”, the Company has only one reportable operating segment i.e. Internet & Retail Catalogue.

n) Earning Per Share

Disclosure as required by Accounting Standard – Ind AS 33 “Earning Per Share” of the Companies (Indian Accounting Standards) Rules 2015. The earning per share is calculated by dividing the profit after tax by weighted average number of shares outstanding for basic & diluted EPS.

o) Taxes

Tax expenses comprise Current Tax and Deferred Tax.:

i) Current Tax:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

ii) Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting assets relate to the same taxable entity and same taxation authority.

Deferred Tax Assets are recognized only to the extent there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. A deferred tax asset shall be recognized for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against it which the unused tax losses and unused tax credits can be utilized. To the extent that it is not probable that taxable profit will be available against which the unused tax losses or unused tax credits can be utilized, the deferred tax asset is not recognized.

iii) MAT Credit

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilise the credit is recognised in the Statement of Profit and Loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

p) GST Credit

GST credit utilised during the year is accounted in GST liability and unutilised GST Tax credit at the year end is considered as duties and taxes refundable.

q) Market and Technology Development Expenses

Revenue expenditure on market and technology development is charged to Statement of Profit and Loss in the year in which it is incurred. Capital expenditure in nature of acquiring licenses etc on marketing and technology development is considered as an addition to tangible assets.

r) Applicability of new and revised IND AS:

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

Notes to the standalone financial statements as at and for the year ended March 31, 2021**(All amounts in INR thousands, unless otherwise stated)****16 Financial Value Management**

Particulars	As at March 31, 2021	As at March 31, 2020
Financial assets - Amortised cost		
Security Deposits	145	115
Cash and cash equivalents	16	240
Investments	66	66
Total financial assets	293	487
Financial liabilities - Amortised cost		
Borrowings	15,000	15,000
Trade payables	2,147	2,255
Other Financial Liabilities	3,855	2,786
Total financial liabilities	21,002	20,041

(ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in the financial statements.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes instruments like listed equity instruments, traded bonds and mutual funds that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(iii) Valuation process

The finance department of the Company performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values.

The carrying amounts of security deposit, cash and cash equivalents, current trade payables, book overdraft and short term borrowings are considered to be the same as their fair values, due to their short-term nature.

17 Financial Risk Management

The Company's business activities is exposed it to a variety of risks as stated below:

a.Last Mile Logistic Infrastructure

There is very poor infrastructure for last mile delivery of the products –cost is very high and the time taken to deliver the products is abnormally very high. Though the company is working with local logistic companies to solve this last mile delivery problem however, it is taking extra ordinary cost and time. Due to high last mile delivery cost, the company may incur losses on unit basis till the infrastructure is improved.

b.High Technology Obsolescence

Back bone of our business is technology. A continuous investment (huge) is required to sustain the growth. If the financial resources are not mobilized on timely basis and investment in technology stops, the business of the company would suffer adversely. A continuous investment in technology is key to success for our business.

c.Competition:

We face competition from modern retail (large format retail) and eCommerce companies. Prices of these competitors are normally subsidized and that becomes a comparison bench mark for our products. Our network retailers get influenced with such prices and stop showcasing our products to the customers. This directly brings down our sales.

d.Financial Resources:

The company needs to spend and invest in the iStreet Bazaar project continuously during its initial few years. The company has been making efforts for raising resources since quite some time. However there has been a very little success. Delays in raising resources may impact operations and the growth plan of the company to a great extent. These delays are sometimes beyond the control of the company.

e. Free Tradability on Exchange:

The company's shares are traded on the BSE Limited (BSE). To maintain the exchange integrity and protect investors' interest, BSE may impose restriction on trading of shares in the company on exchange from time to time which may impact FREE TRADABILITY and fresh fund raising capability of the company required to maintain and expand its business. The business of the company requires continuous fresh capital infusion till it reaches a threshold level.

18 Going Concern

The Company had been classified into the Graded Surveillance Measure (GSM - Stage 1 of GSM List) list by BSE. The criteria for classifying the Company into GSM was not very clear to the Company. Consequent to its classifying into GSM and its restriction of free tradability of its shares, the Company was unable to raise fresh capital for the business and hence suspended its operation with effect from 1st April 2017.

The impact of classifying the Company in GSM by BSE has led to trade restrictions and a complete roadblock in terms of raising additional capital from new investors. The Company has been incurring constant losses and also the net worth of the Company has been fully eroded. If the management is not able to infuse adequate money on appropriate time than the going concern assumption might get impacted. However, the Audited financial results for the year ended 31st March 2021 of the Company are prepared on going concern basis since the Company is implementing its new business strategy with a focus on profitability with the available internal resources and acquiring Citicycle India Pvt. Ltd. along with its business, providing solution for 'green mobility'.

31 Significant accounting judgments, estimates and assumptions:

The financial statements require management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

- 32** The SARS-CoV-9 virus responsible for Covid-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian finance markets and a significant decrease in global and local economic activities. On March 24, 2020, the India government announced a strict 21 day lockdown which was further extended time and again across the country to contain the spread of virus. During the year the company had no major business activities and hence the Company has considered and concluded that there is no material impact that may result from COVID-19 in preparation of these financials statements, including recoverability of assets. In developing the assumptions relating to future uncertainties in the economic conditions due to COVID-19, the management has, at the date of approval of these financial statements, used relevant internal and external sources of information including economic forecasts and expects that the carrying amounts of these assets are recoverable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial statements

- 33** The Balance Sheet, Statement of Profit and Loss, Cash Flow Statement, Statement of changes in equity, Statement of significant accounting policies and the other explanatory notes forms an integral part of the financial statements of the Company for the year ended March 31, 2021.

- 34** Previous year's figures have been regrouped /rearranged wherever considered necessary.
